

Guest Speaker - Angeles Ortega

Ms Ortega is a Data Dissemination Specialist for the US Census Bureau, Denver Region. In her role, she develops and delivers data training workshops and presentations to Census partners.

Prior to her appointment to the Denver Regional Office, she served as a Partnership Specialist in the Charlotte Region.

Originally from Mexico, Ms. Ortega studied Languages at the Universidad Autonoma de Queretaro, Mexico and Non-Profit Management at the University of Nevada-Reno. She has also earned an MBA from Queens University of Charlotte in North Carolina.

Please join Ms. Ortega for her public presentation Wednesday, January 13, 2016 at the Downtown Wichita Public Library Auditorium from 6 - 7 pm. Her talk, "Discovering Your Neighborhood" will showcase how our City's neighborhoods compare with others across the region.

WICHITA INDEPENDENT NEIGHBORHOODS, INC. (WIN)

Beginning as a few neighborhoods coming together towards a common goal in 1993, WIN has evolved into a formal 501(c)3 non-profit organization that includes almost half of the Wichita households and over 60 Neighborhood Associations!

Our Mission Statement:

WIN provides education, resources, and an effective voice to and for current and potential members on quality of life issue in Wichita and Sedgwick County.

Our Vision Statement:

WIN envisions citizens, families, and neighborhoods in Wichita and Sedgwick County that participate fully in their governance to attain a safe, health, and vibrant community.

Why Join WIN?

- Networking Opportunities
- Member Support, Advice, and Assistance
- Bloom Grant Funds
- Monthly Goings-On via the Newsletter
- Technical Assistance

Let WIN be your helping hand!

2016 Annual Dinner Meeting

Guest Speaker:
Angeles Ortega,
US Census Bureau

Date: Jan 11, 2016
Time: 6:00 pm
Grace Presbyterian Church
5002 East Douglas
Wichita, KS

WIN's 2015 Year in Review

This past year, the WIN Board has focused on several projects that required a fair amount of planning and follow-through to ensure success. Highlights of our work include:

- The WIN-Wichita Public Library partnership presenting a series of workshops titled "City 101" that addressed the facets of our local government and the operations of non-governmental organizations in a way that was accessible to the masses. Thanks to the James Garvey Family Trust Foundation for their generous grant.
- Our biennial WIN Neighborhood University, chockablock with numerous speakers, including Miss Kansas, and topics that touched on so many of the issues facing our neighborhoods today. Thanks to the Regional Wichita Fire Training Facility for partnering with WIN and hosting this large event. For more information about this year's conference, visit www.winnuconference.org
- The WIN-Atwater Community Garden was resplendent this year, thanks in large part to the hard work of various churches, schools, and neighbors that came out to till, plant, and harvest our community bounty. A big thank you to the young volunteers from Maize High School, Spaght Elementary, & Urban Prep Academy. A special thank you to Spirit, for choosing the Garden as a Love Wichita project and facilitating the construction of a compost bin!
